

MEPNN Supplier Scouting Opportunity Synopsis

Item Information	
Scouting Number	2023-132
Item to be Scouted	Small diameter stainless steel tubing and fittings
Days to be scouted	15
Description	<p>Providing an existing BABA self-certification or participating in the BABA self-certification process is a requirement for this effort.</p> <p>Not a contract or project-specific request. Rather, this is a domestic availability inquiry.</p> <p>Several years of experience with the American Iron and Steel requirements leads federal agencies to believe that small diameter (<4") stainless steel tubing and fittings are not manufactured in the US. AIS waivers have been submitted for these products. We are seeking American manufacturers of BABA-compliant stainless steel tubing and fittings.</p>
State item to be used in	Arkansas
